

THIS IS HAPPENING IN VENEZUELA

The Real Truth

THIS IS REMEMBERED AS A SAD DAY

**Who are the persons that plan
this kind of Criminals Acts ?**

This is one of them

There are some others

Like this one

The present President of Venezuela,
two years ago, called Saddam :
“Dear Brother”

They use terrorism as a means to implement their political “projects”

This actually happening in Venezuela

To the world he is an Angel that fights to get more equality among Venezuelans. In fact, he works in the darkness, creating an organization financed with public money, executing terrorist actions against those do not like his project.

Just because we do not want comunism

This is real, it is actually happening in Venezuela

His master plan is to create a Fidel Castro-like system

And spread it to the rest of the Latin American countries

Armed groups against the peaceful Venezuelans, like the beginning of the Cuban revolution

Mr. Chavez is not telling the truth

He keeps on saying that everything is normal

Although, he has repeatedly said:
“This is an armed Revolution”

Can this be normal ?

Most of the people are asking Mr. Chavez to resign

He has failed to manage the country.
He has:

- Generated Violence.
- Violated Human Rights.
- Allowed Corruption to increase.
- Increased Poverty.
- Increased Unemployment.
- Created Violent Groups trained by Cubans.
- Not respected the Constitution.
- Created hate between brothers.
- Ruined the future of the country.

People marching, asking for elections now

NO MORE KILLINGS

We ask to all nations that believe in Human Rights and live in Democracy, to help us end this nightmare, soon; before Mr. Chavez can finish implementing his brand of terrorism in our country.

HE HAS THE GUNS BUT WE GOT THE **RIGHT TO
LIVE IN FREEDOM AND DEMOCRACY**
